BR-Wahl 2022

Aktueller Sachstand

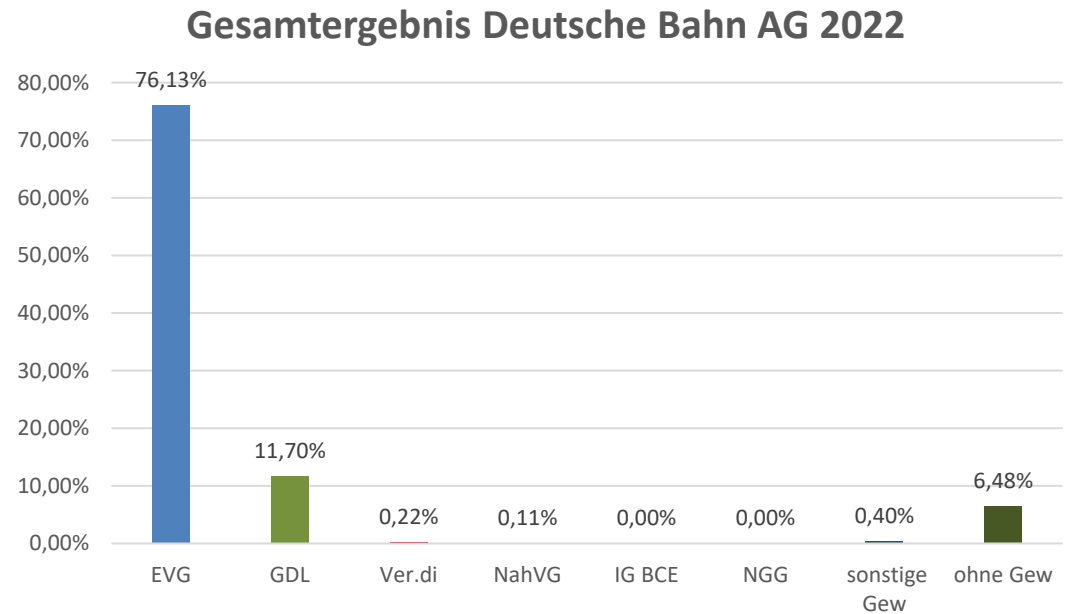

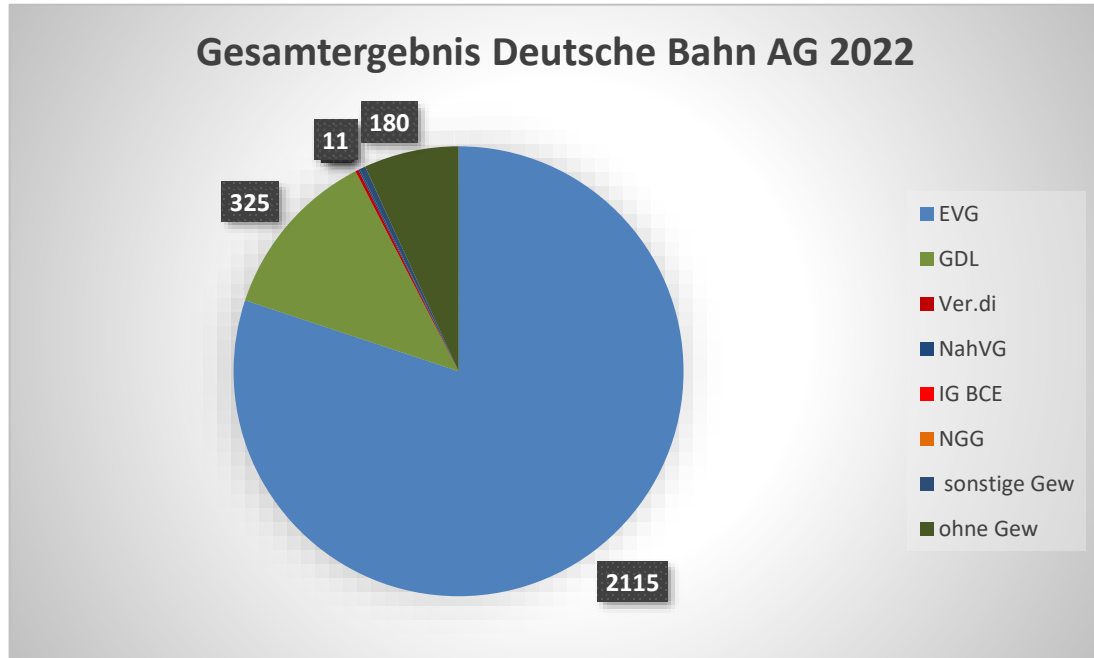

Eine abschließende Bewertung kann derzeit noch nicht vorgenommen werden, da aufgrund des geänderten Wahlverfahrens aus einigen Betrieben noch keine Ergebnismeldungen vorliegen. Zum derzeitigen Stand lassen sich aber folgende Aussagen treffen:

- Es ist ein klarer Trend zu erkennen, dass die EVG im Vergleich zur GDL weiterhin führende Kraft ist.
- Die GDL bleibt stärkste Konkurrenz; ver.di, IG BCE aber auch die NahVG und GÖD sind in unserem Organisationsgebiet vertreten.
- Die Wahlbeteiligung mit knapp 55% ist eine der schlechtesten im DB Konzern überhaupt, ein Ausreißer ist z.B. die DB Zeitarbeit mit nur 26%, laut vorliegender Meldung.
- Es gibt ungewöhnlich viele ungültige Stimmen.
